13-15 Teed Street, Newmarket, Auckland  
 208 Eastbourne Street East, Hastings

***FL Bone & Son Limited - Sole Authorised New Zealand Importers and Distributors***

**PRICING - The pricing above INCLUDES GST and is for the base cooker only and includes assembly on-site but does NOT include items such as flue pipes, chimneys, gas tanks, installation costs etc. Freight free to nearest trucking depot. A deposit of 30% is required when order placed and the balance payable on arrival of the product into FL Bone warehouse.**

**AVAILABILITY - Due to the wide range of models and colours available ALL cookers are ex UK. Delivery is approx 3-4 months. Prices subject to change without notice.**

**REGULATIONS - A building permit is required to install most AGA cooker models. Check with your local building inspector at your early planning stage. Generally installation instruction details are the standards for local building codes. AGA conventional gas & electric ranges do not require a building permit.**
