## HEATRANGER

### *Range Cookers with Central Heating & Domestic Hot Water*

	212S (Solid Fuel)	216M (Solid Fuel)	355M (Solid Fuel)
HEATMASTER 200 Series	\$11400	\$13400	
HEATMASTER 300 Series			\$14250

**PRICING** – All pricing is in NZ Dollars and **INCLUDES GST**. It is for the base cooker only (does not include items such as flue pipes, chimneys, radiators, gas tanks, installation costs etc.) Freight extra. A deposit of 30% is required when order placed and the balance payable on arrival of the product in FL Bone warehouse. Pricing subject to change without notice.

**AVAILABILITY** – Due to the wide range of models and colours available most cookers are ex UK. Delivery is approx 3-4 months.

**REGULATIONS** – A building permit is required to install all Rayburn models. Check with your local building inspector at your early planning stage. Generally installation instruction details are the standards for local building codes.
